

MODEL 94/90.5

WHERE TRADITION MEETS INNOVATION. Using our legacy professional design and incorporating our state-of-the-art aqueous technology, Safety-Kleen's most popular heated aqueous parts washer features a sturdy sink, flexible flow-through hose and brush, adjustable lamp, and fusible link cover. Model 94 and Model 90.5 are ideal for cleaning a small number of parts with light and moderate soil levels.
